I Support the California Bill to Guarantee Health Care for All

We call on the Legislature to pass and the Governor to sign Senate Bill 562 (Lara, Atkins) to guarantee health care for all Californians. SB 562 is based on these principles:

- **One high quality healthcare plan that covers everyone living in California**
- **Comprehensive benefits – all medically necessary care, including dental, vision and hearing – with your own choice of doctors**
- **Affordable for individuals, families and businesses – no co-pays or deductibles**

HCA will only use your email to send you updates & action alerts about our campaign to win single payer / Medicare for All in California.
